What is an Area Agency on Aging?

We're glad you asked! The Area Agency on Aging (AAA) is a regional agency that is designated by the state to administer federal, state, and local funding to meet the needs of older adults in their community. The AAA provides programs and services to older adults and caregivers directly and through contracts with community provider agencies. AAAs also serve as advocates for older adults.

Service Information:

The service you are requesting is funded through the Older Americans Act (OAA) and/or Older Coloradans Act (OCA) funding. This federal and state funding helps older adults, 60+, remain in their homes and communities of choice. Requests for services are processed as funds allow. We can provide you with referrals to other resources in your area, but we will not reach out to them without your permission.

What is the purpose of this form?

We ask you to fill-in this form for several reasons:

- To help us learn about you so we can offer services that best meet your needs
- To help us understand the needs of older adults in our community
- To help us show the need for funding our programs
- To help us meet reporting requirements from our funders

Taxpayer money funds these programs. We must prove that the funding only serves eligible clients and targets older adults and caregivers most in need of services. This paperwork helps us meet that level of accountability.

Income information is not used to determine your eligibility for services. Income and other demographic information (e.g. gender, race, ethnicity) are collected for anonymous demographic reporting purposes. None of your personal information, such as your name or date of birth is disclosed in reporting. You have the right to refuse to provide any of the information requested on the form.

What happens with my information?

We enter your information into a secure state database. As you receive services, we record the services you received in the database. This helps us prove how we spent the funding. The database is secured to the standards outlined in Health Insurance Portability and Accountability Act (HIPAA) and Health Information Technology for Economic and Clinical Health Act (HITECH). This means your data remains safe and confidential.

Will you sell my information?

No. We will never sell your information.

If you are not satisfied with the organization's decision, you can appeal the decision to your local Area Agency on Aging (AAA), and/or the State Unit on Aging (SUA). Can I make a donation?

We accept donations and gifts to contribute towards the cost of services and to support our efforts. Every dollar we receive goes back into the programs and services.

Donations are voluntary and are not required to receive services.

How can I help?

We couldn't meet the needs of older adults in our communities without the amazing help from volunteers and members of our Regional Advisory Councils. Reach out to either your provider or your AAA to see how you can help make a difference in the lives of older adults in our community.
